Students, complete the College Application Worksheets included in this document and bring them with you on the day of your school's College Application event. You may need to ask your family, school counselor, or another adult you trust to assist you in answering all of the questions. Be sure to keep this information in a safe place given the personal information included.

## NARROW YOUR LIST

Prior to participating in your school's College Application event, you should do some research on the schools to which you plan to apply and learn what each school requires in their application. As you narrow down your list, we recommend applying to at least four colleges: one to two reach schools, one to two target schools, and one likely school. Our College Research Worksheet can help you determine your final reach, target, and likely college list of where to apply. Use the worksheet on the following page to keep track of the information you learn during your research on your top four colleges and universities.

If you prefer to build and manage your college application list online, we recommend downloading the Encourage app on your phone: <https://encourageme.com>. Through the Encourage app, you will be matched to colleges and scholarship opportunities.

### ABOUT ESSAYS AND PERSONAL STATEMENTS

It is strongly recommended that you write your essays and personal statements well in advance of your school's College Application event. Your English teacher, school counselor, and other adults you trust are good resources to assist you in getting your essays to a final version. You should bring a final, proofed, electronic copy of your essays and/or personal statements saved in an electronic format you can access during the event.

## TEST SCORES

Some four-year colleges will request your college admissions test (ACT or SAT) scores. Use the space below to list the scores for tests you have already taken. If you have not yet taken the ACT or SAT and the school(s) you are applying to require them, speak with your school counselor about upcoming test dates – you will need to take at least one of these college entrance exams soon! Colleges that request test scores often require them to be “official” and sent by ACT (ACT scores) or College Board (SAT scores). Talk with your school counselor about how to do this.

## EXTRA-CURRICULAR ACTIVITIES

Some applications request information related to the activities that you participate in outside of your high school classes. This could include co-curriculars, community service, part-time jobs or any other activity that you want to share with the college. These experiences give you a chance to learn more about yourself, build relationships outside of school, and build your exposure. List your activities below, including the year(s) you participated and if you held a position or received an award related to the activity.

## COLLEGE APPLICATION INFORMATION

Many colleges will ask for information regarding your college plans. You may be asked what subject area you intend to major in and for which term you are applying. Be sure to do research prior to your school's College Application event regarding whether the colleges you are interested in have the major you want to study. If you do not know what you want to study, that's okay! You can work with your school counselor while you are still in high school to do career exploration. The Encourage app (<https://encourageme.com>), My ACT ([www.my.act.org](http://www.my.act.org)) and College Board's Big Future ([www.bigfuture.org](http://www.bigfuture.org)) provide personalized college and career exploration to help. There will also be resources on college campus to assist with this as well. If you don't know the subject area in which you want to major, you can likely apply with "undecided," but do your research before the College Application event to make sure that is an option at the schools to which you plan to apply. Regardless, you can also change your major once you are enrolled in college.

**YOUR INTENDED PROGRAM OR MAJOR:**

**TERM FOR WHICH YOU ARE APPLYING:**

(NOTE: for most graduating seniors, The term will be FALL enrollment following your graduation from high school)
